The CRIRSCO China Working Group, coordinated by Peter Stoker (JORC) with members: Edson Ribeiro (CBRR), Ciceron Angeles (PMRCC), Ken Lomberg (SAMREC), Roger Dixon (SAMREC), Steve Hunt (JORC), and Zhu Yang Yang (CRIRSCO's representative in China) as members, reviewed all documents, providing their comments and recommendations. These were all clarified and/or incorporated by CAMRA. The Working Group's positive recommendation to the CRIRSCO Board was endorsed by Board of CRIRSCO on 1 September 2025, which recommended the approval of the application by CRIRSCO members.

As described in the CRIRSCO Membership Application Policy and Process, referenced in the CRIRSCO General Operating By-Law NO. 1, and accepted by CAMRA, an organisation must meet the following criteria to be accepted for CRIRSCO Membership as an NRO:

- Produce and be responsible for maintaining a reporting standard that is compatible with the International Reporting Template and which is recognised as the standard for Public Reporting or has the wide support of local or regional professional and regulatory bodies, applicable in the country/region proposed.
- Agree to conduct international consultation with the CRIRSCO member NROs before making amendments to its reporting standard.
- Include as appropriate in the proposed NRO credible, self-regulating, professional organisations that provide disciplinary systems and codes of ethics that govern the behaviour of Competent Persons (or equivalents) as defined in the Template and have and maintain documented Continuing Professional Development requirements and records.
- Commit to and engage actively in CRIRSCO activities.
- Commit to upholding and furthering the objectives of CRIRSCO.

A Special Resolution to approve CAMRA's application to join CRIRSCO was unanimously approved by email by all the voting members on 16 October 2025.

CRIRSCO congratulates CAMRA and welcomes CAMRA as its 16th Member from 16 October 2025. CRIRSCO wishes it success in promoting and implementing The Chinese Code for Reporting of Exploration Targets, Exploration Results, Mineral Resources and Mineral Reserves (The CAMRA Code). CRIRSCO looks forward to assisting CAMRA in the process of promoting and implementing the CAMRA Code, according to internationally recognized standards that follow the principles of Transparency, Materiality and Competence.

Yours sincerely,

Garth D. Kirkham, CRIRSCO Chairperson
